At that point, they will send the information to the Ohio Affiliate Director, Cinda Weisgerber and she will forward it to me. You will also get a confirming email with Cinda's name and the Organization (this is Step 1). I will confirm the date and opportunity and send you an email (Step 2). You will need to go back to the Disney website to "Manage Account" and follow the instructions to complete your application (Step 3). You must complete step 3 or you will not be registered. After our regional tournament, I will send your names to Cinda confirming your participation and she will let Disney know. They in turn will send you your volunteer voucher and give you instructions for using it.
